Notification:

Unless noted as an action item, discussion of any item raised during a report or public comment is limited to that necessary for clarification or necessary to decide whether to place the item on a future agenda.

Public comment at the beginning and end of the agenda may be limited to three minutes per person at the discretion of the chairperson. Members of the public may comment on matters not appearing on this agenda or may offer comment on specific agenda items. Comments may be discussed by the Council but no action may be taken. The matter may be placed on a future agenda for action.

Because of time considerations, speakers are urged to avoid repetition of comments made by previous speakers. A person may also have comments added to the minutes of the meeting by submitting them in writing either in addition to testifying or in lieu of testifying. Written comments may be submitted in person or by email, facsimile, or mail before, during, or after the meeting.

Additional comment periods may be allowed on individual agenda items at the discretion of the chairperson. These comment periods may be limited to three minutes per person at the discretion of the chairperson. These additional comment periods shall be limited to comments relevant to the agenda item under consideration by the Council.

All times are approximate. The Council reserves the right to take items in a different order or to combine two or more agenda items for consideration to accomplish business in the most efficient manner. The Council may remove an item from the agenda or delay discussion relating to an item on the agenda at any time. The Council may call for a lunch break.
